CyOak CONSULTING

CAPABILITIES STATEMENT

About CyOak

Established in 2019, the CyOak Consulting Group is an experienced Geospatial Intelligence (GEOINT) company. We provide knowledge experts and critical solutions for GEOINT management, analysis, training & education, hardware/software design along with strategic program/project and task management services. Access to data, proficient in techniques, and adept in analysis and dissemination, the CyOak Consulting Group is your "one-stop shop" for GEOINT remote or onsite solutions.
